

**SUBJECT:** Vernon Memorial Healthcare, Inc. Financial Assistance Policy (FAP)

**POLICY:** It is the policy of Vernon Memorial Healthcare, Inc. to provide medically necessary healthcare services to people in the communities it serves, regardless of their ability to pay. Financial assistance is available to those who meet eligibility requirements based on Vernon Memorial Healthcare, Inc. FAP.

MISSION:

We are committed to being the best community healthcare system in the region.

VISION:

To bring value to our community, we commit to excellence in everything we do:

- Providing the ultimate experience to our patients/customers, their families, our staff and providers.
- Responding to the advances in healthcare and the changing needs of our community.
- Exhibiting leadership and stewardship toward our community's healthcare system.

**PROCEDURE:** To establish guidelines for the Financial Assistance Policy (FAP) to patients served by Vernon Memorial Healthcare, Inc.

- 1) Financial assistance is available for Medically Necessary procedures and treatments only. Medically necessary services are defined by Medicare as health care services or supplies needed to diagnose or treat an illness, injury, condition, disease, or its symptoms and that meet accepted standards of medicine. Elective procedures and treatment are not available for Financial Assistance.
- 2) Uninsured Discount: Patients with no third-party coverage (no health insurance) will be issued an uninsured discount on the total charges that are Medically Necessary. Patients who receive the Uninsured Discount are eligible to apply for additional Financial Assistance.
- 3) Catastrophic Care: Patients not meeting financial assistance eligibility thresholds may be eligible for assistance under circumstances when medical bills would result in severe financial hardship. Patients, or their guarantors, may be eligible for catastrophic care assistance if they incurred out-of-pocket obligations resulting from medical services provided by Vernon Memorial Healthcare, Inc. that exceed 25% of the adjusted gross income and have assets below the equivalent of 600% of the FPL threshold.
- 4) Financial Assistance: Offered to patients, with a balance owed of \$500.00 or greater and whose family income is greater than 100% but less than or equal to 400% of the current FPL.
  - a) Family income above 100% FPL but equal to or less than 200% are eligible to review a 75% discount.
  - b) Family income above 200% FPL but equal to or less than 225% are eligible to review a 60% discount.
  - c) Family income above 225% FPL but equal to or less than 250% are eligible to review a 55% discount.

- d) Family income above 250% FPL but equal to or less than 275% are eligible to review a 50% discount.
  - e) Family income above 275% FPL but equal to or less than 400% are eligible to review a 45% discount.
- 5) Criteria used to determine eligibility for this FAP application includes family size, federal poverty income guidelines, and assets.
- 6) In accordance with Vernon Memorial Healthcare, Inc.'s values, employees will provide patients and family members with the ultimate experience possible during the FAP process. All patient and financial information is confidential and will not be shared outside of Vernon Memorial Healthcare, Inc., or the Collection Agency.
- a) Vernon Memorial Healthcare, Inc. adheres the privacy and security of patient protected health information according to regulation.
- 7) FAP patients must complete an application form and supply all necessary information required to make a determination for program eligibility.

b) A PLS will also be posted on Vernon Memorial Healthcare, Inc.'s website: [www.vmh.org/](http://www.vmh.org/)

c) A PLS will be made available in printed format in English, Spanish and Hmong at the time of registration.

11) Financial Assistance (FAP) Application

a) FAP application and list of required documents will be provided to any patient upon request. The application can also be mailed upon request. The application enrollment period is effective within 240 days from the first post-discharge billing statement.

b) The FAP Application will be posted on Vernon Memorial Healthcare, Inc.'s website: <http://www.vmh.org/content/financial-assistance-program> .

c) Financial assistance applications will be evaluated to determine most generous discounts available under the Vernon Memorial Healthcare, Inc. FAP and according to the Federal poverty guidelines, reviewed annually at <https://www.dhs.wisconsin.gov/medicaid/fpl.htm>.

i) Up to 400% of the Federal Poverty Guidelines/Limits

d) Financial need may be determined in accordance with procedures that involve an individual assessment of financial need and will:

i) Include a general screening process.

ii) Include an application process, in which the patient or patient's guarantor are required to provide personal, financial and other information and documentation.

(1) This application process may be completed with the assistance of a Vernon Memorial Healthcare, Inc. Business Office representative, online or by mail.

e) FAP application forms may be accepted verbally, however all requested documentation will be required prior to approval and the verbal information will be transferred to an application in writing.

- f) Vernon Memorial Healthcare, Inc. may choose to waive such conditions or criteria for the FAP in situations where the patient/guarantor is not capable of meeting these requirements per management and CFO approval.
- g) Vernon Memorial Healthcare, Inc. understands that an individual and/or family's income situation will change over time.
  - i) Vernon Memorial Healthcare, Inc. will re-verify eligibility for the FAP every 12 months. Patients may contact the Patient Accounts office if they acquire a new bill after 1 year of FAP eligibility and need to renew their application.
- h) Eligibility for FAP will be considered for those individuals who are uninsured, underinsured, or ineligible for any government healthcare benefit program and who are unable to pay for their care, based upon a determination of financial need.
- i) The granting of financial assistance will be based on an individualized determination of financial need and will not take into account age, gender, race, social or immigrant status, sexual orientation or religious affiliation.
- j) Specific Eligibility Criteria:
  - i) Individual or family income, which may take into account family size and other pertinent factors.
    - (1) Family: Defined by the U.S. Census Bureau, a family is a group of two or more people who reside together and are related by birth, marriage, or adoption.
      - (a) A dependent claimed on an income tax return can be used for determining eligibility for this policy.
  - ii) Other financial obligations, such as living expenses and other items in relation to living expenses and income.
  - iii) Other financial resources available to patients, such as an insurance plan through the Health Insurance Exchange, Medicaid or other public assistance programs, may affect the determination of assistance.
    - (1) FAP applicants are responsible for applying to public programs and private health insurance coverage. Applicants choosing not to apply for these programs may be denied financial assistance.
      - (a) Applicants likely to qualify for Wisconsin Medicaid must apply for coverage and receive a determination in order to qualify for FAP. Determinations from Wisconsin Medicaid received within six (6) months of the FAP application date will be accepted.
  - iv) Patients receiving home health care services must meet the definition of home bound and the home must be the best place for service to be provided.
  - v) Have an outstanding balance due of \$500.00 or greater.

12) Amounts Generally Billed (AGB):

- a) Following a determination of eligibility under this FAP, a patient eligible for financial assistance will not be charged more for medically necessary care than the AGB.
  - i) Vernon Memorial Healthcare, Inc. determines AGB based on all claims paid in full to Vernon Memorial Healthcare, Inc. by Medicare, Medicare Advantage, Medicaid, Medicaid HMO and private health insurers (including payments by Medicare beneficiaries or insured individuals themselves), over a 12-month period, divided by the associated gross charges for those claims using the Look-Back Method.

ii) The AGB is the expected payment from the patient or guarantor who is eligible for Financial Assistance.

iii) Only those approved for financial assistance may not be charged more than the AGB for emergency or other medically necessary care.

13) Communication of FAP:

- a) The FAP available from Vernon Memorial Healthcare, Inc. shall be communicated by various means, which may include notices on patient billing statement, brochures located at emergency departments, urgent care, admitting and registration departments, patient financial services or other business associates involved in patient billing process. The FAP policy and complete application shall also be published on Vernon Memorial Healthcare, Inc. website at [www.vmh.org](http://www.vmh.org).
- b) FAP application and list of required documents will be provided to any patient upon request.
- c) The application can also be mailed upon request.
- d) Patients can also request an application by telephone by calling the Patient Accounts Department at (608) 637-2101.

14) Expectations and Payment:

- a) It is an expectation that the patient/guarantor will cooperate and supply all necessary information required to make a determination for financial assistance eligibility. This includes application to any program for which they may be eligible prior to their request for the Vernon Memorial Healthcare, Inc. Financial Assistance Program.
  - i) Failure to do so may result in application being denied.
- b) In the event patient or responsible party is unable to apply for the FAP, Vernon Memorial Healthcare, Inc. may use presumptive eligibility to make a determination of the patient's eligibility.
  - i) Presumptive decisions may be based on:
    - (1) An applicant's prior Vernon Memorial Healthcare, Inc. FAP application
    - (2) Discharged bankruptcies
    - (3) Deceased patient with no property in probate
    - (4) Current eligibility under Medicaid
- c) Once approved for FAP, the patient is responsible to make appropriate payments to pay off the balance owed within 12 months.
- d) The lowest payment arrangement that can be made per month on any account is \$30.00.
- e) Temporary payment arrangements can be obtained through a Patient Financial Counselor if the patient cannot afford the minimum of \$30 per month or paid off within 24 months.
- f) The uninsured discount given to patients without health insurance coverage will be applied in addition to the financial assistance percentage given.
- g) No other discounts will be granted if a patient has financial assistance.

15) Determination:

- a) The final determination for FAP shall be made within a reasonable amount of time upon receipt of the completed application, required supplemental documents and determination of other program(s) eligibility.

- b) The patient or guarantor will be notified in writing of the final determination. The patient or guarantor shall also be notified if a determination is delayed pending an incomplete application or if additional information is needed.
  - i) The patient or guarantor has 30 days to respond to a request for additional information/incomplete application.
    - (1) Failure to respond will disqualify the patient for the financial assistance program. If the patient wishes to re-attempt to qualify, the patient will need to complete a new application and provide the required documents.

16) Appeal:

- a) The patient may request an appeal in writing following final determination or denial of FAP.
- b) The Vernon Memorial Healthcare, Inc. Patient Accounts Manager and CFO will review all appeals requests within a reasonable amount of time upon receipt.
  - i) The patient or guarantor will be notified in writing of final determination.

17) Extraordinary Collection Actions (ECA) and Reasonable Efforts:

- a) Vernon Memorial Healthcare, Inc. will make reasonable effort to determine FAP eligibility before considering extraordinary collection actions.
  - i) Reasonable efforts include providing notice orally and in writing, of the FAP during the notification period ending 120 days after the date of the first billing statement post-discharge.
  - ii) It is the guarantor's responsibility to provide a correct mailing address at the time of service or upon moving. If an account does not have a valid address, the determination for "reasonable effort" will have been made.
  - iii) Patients who qualify for financial assistance will remain active for one year, unless their ability to pay improves during the 12 month period. For assistance beyond 12 months, a new application is required.
- b) In the event a FAP and/or payment are not received, Vernon Memorial Healthcare, Inc. or other authorized parties may proceed with extraordinary collection actions with a minimum of 30 days prior notice. This could include sending collection letters or referral of account to a collection agency. The collection agency will continue collection efforts which may also include credit bureau reporting or legal actions.
  - (1) The approved amount thru the FAP may be sent for legal actions, not the total billed amount.
  - (2) Age of placement: accounts that are sent to the collection agency will be submitted 121 days after first post-discharge billing statement if there is no sufficient payment.
  - (3) The collection agency will be notified via email or the agency portal if a patient requests to apply for FAP if within 240 days of the first post-discharge billing statement. Any ECA that is already in process will be suspended until eligibility is determined.
    - (a) Any payments made to an account by the patient prior to FAP approval, will be refunded to the patient if the amount is greater than the discount received with FAP. The minimum account refund is \$5.00.
  - (4) Any account older than 240 days will not be eligible to re-apply for income or status changes.

c) Vernon Memorial Healthcare, Inc. authorizes the collection agency to file a Motion for Contempt if the consumer (patient) fails to complete a Financial Disclosure Statement that small claims court sends to them upon entry of judgement.

i) The court allows fifteen (15) days to return the completed statement.

18) Community Health Needs Assessment (CHNA):

a) Vernon Memorial Healthcare partnered with Great Rivers United Way, area health care organizations and county health departments in a five county region to conduct its 2015 Community Needs Assessment. Compass Now 2015 presents the results of data collected through community surveys, focus groups, an extensive review of socio-economic indicators and an inventory of community resources. The report summary highlights the key findings of the Compass Now 2015 assessment.

b) The Compass Now report identified these key health issues:
